Paul Bruhn Historic Revitalization Subgrant – Application Attachment

PROPOSAL NARRATIVE:

Please answer the following questions in narrative format and limit the total responses to 15 single-spaced pages. The font used should be easy to read and no smaller than 11 point. Please use 1" margins for your responses.

1. Please describe the history of the building. What is its significance to the target area and to Paducah?
2. Why should your project receive funding through the Paul Bruhn Historic Revitalization Subaward Grant Program?
3. Please explain the need for the project. Including topics such as lack of financial resources and physical deterioration of the building. What types of physical deterioration has occurred with the building? Has climate change impacted the physical condition of the building or is it likely to in the future? Have you attempted to secure other types of funding for this project?
4. Describe your familiarity with historic preservation. Have you previously completed a similar project to the one being proposed? If so, please describe the previous project and its outcomes.
5. How will this project implement the *Secretary of the Interior's Standards for Rehabilitation*?
6. Please explain how the proposed project will improve economic development in the target area?
7. What other impacts will be achieved for the target area if your proposed project is funded? (Examples can include increased housing units, additional retail/commercial space, new/additional community services, increased tourism)
8. Please provide a narrative of the Scope of Work to be completed, its necessity, and the impact on the building. Include how the Scope of Work will impact the stabilization and structural integrity of the building.
9. Please provide a bulleted list of the items in the Scope of Work and the cost and time commitment required for each component.

10. What percentage of matching funds will you be contributing to the project? (Matching funds must be a cash match and cannot include any other funds from the City of Paducah)
11. If you are utilizing this award to leverage additional funding for your building/project, please provide a description of the type and amount of leveraged funds that have been or will be committed as a result of this project. Include all organizational, financial, and private supporting partners.
12. Do you intend to involve the community in your project, or have you included community input in the planning of the proposal? If so, how?

Is there any additional information you would like to include about the building and proposed project that has not been discussed in the other sections?
